

Family Awareness Network Invites You To Join Us!

Linda Yonke, Ed.D.

Superintendent New Trier High School District 203

Pushed Too Far or Left Behind?

**Child Development and Curriculum Planning
in Grades K-12**

Wednesday March 21, 2007 from 12:45-2:30 pm

**New Trier High School, Northfield Campus, RmC234, 7 Happ Road, Northfield
(Free public parking on west side of Happ Rd.)**

Dr. Linda Yonke, involved in education for over thirty years and former Assistant Superintendent New Trier High School for Curriculum & Instruction, will provide an overview of curriculum development and how it parallels child development.

- How to match curriculum development to child development and the challenge of learning styles
 - What is developmentally “normal” and how this differs by gender
- How parent-child conversations and activities contribute to academic readiness and success in school
 - Ways to foster parents’ partnership with the teacher
 - Learn specific practices that help children develop excellent literacy skills

Save the dates for these upcoming FAN programs:

- **April 12** at 7:00pm “Growing Up Healthy in the 21st Century...:What are the Behaviors and Perceptions of our New Trier High School Students”
- **April 18** at 12:45 pm “From Binge to Blackout” with Chris and Toren Volkmann

Family Awareness Network of New Trier Township Schools (FAN) makes a positive difference in the lives of families by building parents' confidence and by helping them connect with other parents, their children, the schools and the community through effective educational programs, active parent networks and other practical parenting resources.
