

# FAN / *donations*

The Family Awareness Network of New Trier Township (FAN) is deeply grateful for the strong financial commitment of its donor schools and organizations. Since its inception, the community has enthusiastically supported FAN in its mission to promote the well-being of families and communities through informative, engaging programming. Your vital support allows us to present the very best parent education programs in the Township, and we truly appreciate your thoughtful consideration.

FAN's all-volunteer board is a group of talented, committed, energetic leaders from all of the Township villages. Our work is greatly enhanced by the involvement of the liaisons sent to FAN by the area schools and organizations.

Enclosed you'll find a summary of FAN's 2008-09 programming year, an overview of the liaison position, and a reply form that should be completed and returned to us with your 2009-10 donation by May 1, 2009. The summary also offers a few forecasts and initiatives for the 09-10 programming season, and we think you'll find them exciting and fresh.

Please contact outgoing Co-Chair Chuck Jameson (cbjameson@cj4.org; 847-256-8786), or incoming Co-Chair Lonnie Stonitsch (lonnie@stonitsch.net; 847-763-9713), if you have any questions about the enclosed materials. Thank you for your support!
